Greetings from Patons®

I recently rediscovered knitting. My first knitting memory is from when I was little knitting scarves with my mom. From there I moved onto more challenging projects like sweaters. In the last two years, I have really enjoyed making afghans for myself and my daughters. Over the last year, I have added to my knitting resumé by teaching my three daughters to knit. There were moments of laughter, frustration, and pride as my girls learned. The oldest knitted backwards, the middle can't remember how to purl, and the youngest keeps adding stitches somehow.

One of our favourite projects is an afghan made of Patons® Divine and Patons® Shetland Chunky. The afghan knit up fast and is also very warm and cozy - just ask Kasper. Kasper is my Bichon and he especially loves our afghans. He doesn't see a problem of snuggling into the one that you are currently working on. Fortunately, when anything goes wrong with the project that we are working on we just blame it on Kasper!
