

## Socks, socks and more socks!

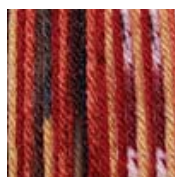

We know you love socks because they are quick, portable, rewarding to knit and fun to wear (and we know you love [Patons® Kroy Socks](#) yarn!) For years (actually, generations), knitters have loved Patons® Kroy Socks, the washability of the 75% wool & 25% nylon blend, the rich tradition of knitting with yarn your mothers and grandmothers enjoyed, and the satisfaction in beautiful hand-knitted socks. Patons® Kroy Socks has something for everyone in its shade range from the traditional, familiar blues and neutrals to the seven new whacky doodle jacquards and stripes.
