

## Special Feature - Patons Bamboo Blends

From laceweight to bulky, Patons yarns are soft, high quality, and unforgettable. In this newsletter we're featuring the newest shades in the most luxurious of our yarns - Patons Angora Bamboo, a soft blend of angora and bamboo with a light halo, and Patons Silk Bamboo, a lightweight and luxurious blend of silk and bamboo, with an elegant sheen and beautiful drape. With new shades and a new pattern book you have to see to believe, we'll keep you knitting and crocheting in affordable luxury.

## New Patons pattern book - Summer Standouts

The cool breezes and windy days mean that the end of Summer is upon us. Take a moment and appreciate the best of summer - from one of a kind heirloom tomatoes to the perfect wrap on a cool evening. You don't have to give it all up so soon. In Patons pattern book 500866 we celebrate the change of the seasons with classic layering garments and accessories to ease you through the transition. With patterns to knit and crochet using Patons Silk Bamboo, Summer Standouts features cardigans and wraps for any season.
