## New Shades of Patons Classic Wool

The four newest shades of Patons Classic Wool are inspired by nature. Harmony (77248) is a beautiful variegated yarn that includes shades of pine green, olive green, white, beige, and light blue. Seafoam (77219) is an oceanic teal-blue, while Eucalyptus (77247) is a strong, deep green. Moonrock (77012) is a rich dark brown that would make a wonderful accent shade to a lighter shade of Patons Classic Wool.
